A progressive agenda for tissue viability

9th National Wound Care Conference

America Square Conference Centre
Friday 4th March 2016

ENSURING QUALITY SERVICES
Objectives

The 9th National Wound Care Conference: A progressive agenda for tissue viability will offer participants:

- A valuable opportunity to ask questions after each presentation
- An opportunity to share and exchange ideas with the leading practitioners in the field
- An insight into clinical issues, including treatment and management of burns and minor trauma
- An understanding of superbug threats and solutions
- A chance to hear about collaborative working between a surgeon and TVN
- An update on revalidation

Who should attend?

A progressive agenda for tissue viability will be aimed at:

- Tissue viability nurses
- Podiatrists
- Nurse consultants
- Directors of nursing
- District nurses
- All other nurses with an interest in wound care
- Industry representatives

A progressive agenda for tissue viability

ENSURING QUALITY SERVICES

Feedback from previous conference
“A very well presented and very informative day on the changing trends taking place in the NHS at present.”

“Thank you for a great day, very informative. A real opportunity to interact with many contributors to better informed tissue viability outcomes - professionals, company and publishing colleagues. Here's to next year!”

100% of delegates said the conference met their expectations.
